

2012-2013

ECU Scholar-Teacher Awards and Symposium

"Celebrating the Synergy between Scholarship and Teaching" Sponsored by the Office of the Provost and Senior Vice Chancellor for Academic Affairs

April 11, 2013 – 12:00 – 3:30 - Mendenhall Student Center

The ECU Scholar-Teacher Award recognizes outstanding faculty members who integrate scholarship and teaching. Each year the colleges in Academic Affairs and colleges and schools in Health Sciences recognize one or more scholar-teacher(s), based on the number of faculty in the unit. During the symposium, each scholar-teacher provides a succinct presentation (approximately 15 minutes) concerning his/her integration of scholarship in teaching. Each recipient also develops a poster presentation or display for viewing during the symposium. This year the symposium will be held during the Annual Research & Creative Achievement Week: April 8-12. Prior to the symposium, 2013 Scholar-Teachers and their guests will be hosted by the Provost at an awards presentation and reception. This year two concurrent sessions will be held in the Mendenhall Great Room 1 and Room 244. Faculty, staff, students, and community friends are encouraged to attend all or parts of the afternoon symposium and to enjoy another wonderful celebration of scholarship and teaching at ECU!
